[https://www.hud.gov/program\\_offices/comm\\_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition).

**4-1 Complete the fields below for each eligible renewal grant that is being reduced during the FY 2022 reallocation process. Refer to the FY 2022 Grant Inventory Worksheet to ensure all information entered is accurate.**

**Reduced Project Name:** YWCA-Alianza TH-RRH  
**Grant Number of Reduced Project:** MA0724U1T042100  
**Reduced Project Current Annual Renewal Amount:** \$709,877  
**Amount Retained for Project:** \$682,917  
**Amount available for New Project(s):** \$26,960  
(This amount will auto-calculate by selecting "Save" button)

**4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)**

This is a first-time renewal of a new grant. When contracts were created, the CoC realized that there had been an error and additional funds were included in the project erroneously. This reduction restores the grant to its proper level and frees up funds for a different project.

The project applicants were notified in writing, outside of esnaps, about the reduction on September 15, 2022.

## 4. Reallocation - Grant(s) Reduced Details

**Instructions:**

For guidance on completing this form, please reference the FY 2022 CoC Priority Listing Detailed Instructions and FY 2022 CoC Priority Listing Navigational Guide on HUD's website. [https://www.hud.gov/program\\_offices/comm\\_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition).

**4-1 Complete the fields below for each eligible renewal grant that is being reduced during the FY 2022 reallocation process. Refer to the FY 2022 Grant Inventory Worksheet to ensure all information entered is accurate.**

**Reduced Project Name:** Catholic Charities RRH3  
**Grant Number of Reduced Project:** MA0538U1T042106  
**Reduced Project Current Annual Renewal Amount:** \$402,575  
**Amount Retained for Project:** \$383,731  
**Amount available for New Project(s):** \$18,844  
(This amount will auto-calculate by selecting "Save" button)

**4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)**

The CoC reduced this project for strategic reasons, to fit all but one project into Tier 1. This project was selected for reduction because it was the lowest ranked RRH project. RRH projects were prioritized for reduction because they can be reduced without displacing existing participants. Because our Collaborative Applicant and multiple grants have small unused balances in their grants, the CoC expects to be able to provide full funding to this project despite the reduction in the application.

The project applicant was notified of the reduction by email on September 15, 2022 and informed that it could submit a solo application to HUD if it decided to appeal the reduction.

The project applicant was notified of the reduction by email on September 15, 2022 and informed that it could submit a solo application to HUD if it decided to appeal the reduction.
