

# Working Together Summit A Veterans Employment Alliance

**June 7, 2013, 8:00 a.m. - 2:00 p.m.**  
**Western New England University, Sleith Hall**

The Working Together Summit will bring together veterans seeking employment and employers interested in hiring veterans. Participants will learn about the many resources available to employers and veterans to hire, retain, and promote veterans. Workshops will address the challenges faced by both veterans and employers in matching veterans with jobs including:

- Online searches
- Effective networking
- Résumé preparation
- Job interviewing skills

Speakers will also discuss hot jobs, career paths, and veteran education funding, including scholarships, incentives, and grants. The luncheon speakers will address high-interest issues such as employer tax credits, veteran benefits, and attacking the myths that often create recruitment and retention barriers in hiring veterans, including PTSD and military-civilian reintegration.

The event is not a job fair. Register online at [www.vetsroi.com](http://www.vetsroi.com).
