

**City of Springfield, Massachusetts
Office of Procurement**

The City of Springfield Massachusetts Office of Procurement is implementing an internet based procurement program which will make it easier for you to find out about bids and bid results while making us more efficient.

You must register at www.bidsync.com to maximize the benefits of this program. Registration is free and will ensure our ability to notify you of bids that are of interest to you. If you do not have internet access call BidSync toll free at 1-801-765-9245 x1 for an application form. Bid notices will be faxed to you.

As of the date of this letter we are asking unregistered suppliers to register so you may receive bid notices. There is no need to register a second time if you have already registered as a result of receiving this notice from another government agency.

Thank you for your attention to this matter.

Sincerely,

Lauren Stabilo, Acting Chief Procurement Officer

Registration with BidSync is required to receive and respond to the City of Springfield Procurement Departments bids. Registration is fast, free and easy.
