# Enrichment Programs

The Afterschool Programs are designed to introduce children to a number of new programming opportunities and activities that build upon the skills they learn throughout the school year.

### The Overall Experience

*"My daughter loves the program. She gets time for her homework, time with friends, and there are lots of great activities."*

**- DeBerry Parent**

### What our staff say

*"I love coming to work every day knowing that I impact the kid's day in a positive way."*

**-Bowles

### Project Based Learning: Theater Arts

*"I have a very shy child, who to my amazement took part in this play."*

**-Pottenger Parent**

*"It gives them confidence."*

**- Liberty Parent**

### From the Principal

*"The Afterschool Program is part of a seamless day for the children."*

**- Ms. Valarie Williams,  
Principal, Pottenger  
School**
