# 2017 SUMMER ENRICHMENT PROGRAMS

## Programs run from July 5<sup>th</sup> – August 11<sup>th</sup>

For more information on Summer Enrichment Programs contact Katherine Shea at 413-886-5220 or visit our website <http://www.springfield-ma.gov/park/>

We are located in Forest Park  
293 Sumner Ave., Springfield, MA 01108

Please see the back of this form for registration details.

### ECOS in Forest Park - Into the Wild

Participants will go Into the Wild and explore all that Forest Park has to offer including the forest, ponds, streams, wild life and more. They will learn about habitats and ecosystems, observe micro-organisms through a microscope, and grow their own plants. Activities will also include written and artistic expression of nature.

**Registration: May 8th  
9:00 AM – 2:00 PM  
at the Recreation Office in  
Forest Park**

### Into the Wild

### Kiley - Amazing Race: Scavenger Hunt Challenge!

Amazing Race returns – but with new topics and new challenges! Participants will experience a 5-week scavenger hunt challenge. Each week will feature a different topic, including, Superheroes, Fitness and Nutrition, Cultures and Countries and the History of Springfield. Participants will engage in physical and mental challenges; indoor and outdoor team-based challenges; team building and more.

**Registration: May 9th  
9:00 AM – 2:00 PM  
at the Recreation  
Office in  
Forest Park**

### Liberty – Creative Minds

Participants will explore the world of art. Activities will go beyond creating art. They will discover materials, look at and think about art, develop skills and new forms of artistic and creative expression. Throughout the summer participants will learn about artists, their tools, resources and techniques and will be able to try out these various artistic approaches. At the end of the program participants will unveil their work at an art show.

**Registration: May 11th  
9:00 AM – 2:00 PM  
at the  
Recreation  
Office in  
Forest Park.**

CREATIVE MINDS

### Renaissance – Science Adventures

Participants will discover, imagine, and create with interactive science adventures. Each week will feature a different science topic and hands-on activities including Float Your Boat, Engineering, Design It, and The Science of Art. They will conduct experiments; make rockets, build a geodesic dome, design a mini golf course, and combine science and art to create suminagashi and print making masterpieces.

**Registration: May 10th  
9:00 AM – 2:00 PM at  
Cyr Arena  
(ice skating rink)  
in Forest Park.**

### Science Adventures

### Pottenger – Science Adventures

Participants will discover, imagine, and create with interactive science adventures. Each week will feature a different science topic and hands-on activities including Float Your Boat, Engineering, Design It, and The Science of Art. They will conduct experiments; make rockets, build a geodesic dome, design a mini golf course, and combine science and art to create suminagashi and print making masterpieces.

**Registration: May 10th  
9:00 AM – 2:00 PM at the  
Recreation Office in  
Forest Park.**

### Please note:

**Parents/guardians  
coming to Forest Park to  
register their child will  
need to pay the \$3  
entrance fee to the Park.**

All programs contingent upon funding.
