Take action-get informed- and get connected!

Support Springfield's Climate Action and Resilience Plan (CARP) at this interactive, proactive, and informative event

Day-long event focusing on transportation, clean energy options, and food!

- The **PVTA** and **Walk/Bike Springfield** will help you to design routes to walk, bike or take public transportation to the places you travel every day
- **Ener-G-Save, Springfield Partners for Community Action, utility companies** and **solar consultants** will help you learn about your bills and how to conserve energy
- **Gardening the Community** will share how you can grow your own food and access fresh and affordable options

And much more!
