

What ten things would bring about the biggest improvements for the project area?

All generation community center

Better accountability by business owners (e.g. snow, trash removal)

Better lighting

Better lighting

Better management of patrons from bars and package stores

Better sidewalks and pedestrian amenities, especially for children who are walking to/from school

Better use of Emerson Wight Park (on Marble St.)

Bring the crosswalks back

City Hall and City Council support

Clean up area and plant grass

Clean up properties

Code enforcement improvements

Community policing

Community policing

Demo and clean the Gemini site completely

Demolition

Emerson Wight improvements

Enforce parking regulations, snow removal, bus stops

Ethnic/cultural club for neighborhoods (neighborhood residents) use

Family activities

Fewer package stores and bars

Fewer people loitering

Fire station

Foot patrols by the police

Grocery Store

Health/medical/tech-industry use – investment in the area

High-end owner occupied condominiums (like Stockbridge Court)

Improved infrastructure, lighting

Increase homeownership

Increased police protection

Local businesses

Local grocery store
Maintain site until it is developed
More investment in streets (asphalt, sidewalks)
More signage for identity
Movie theater; more arts and entertainment
Outdoor recreation, e.g. skating rink
Parking
Police presence at night
Police sub-station
Private ownership of sites with revenue going back to the City
Spas – health center – “Italian Riviera Spa”
Street lighting
Strong neighborhood support
Survey business owners that aren’t present
