Re: Community Preservation Commission

Dear Brian,

Congratulations on being appointed by the Parks Department to serve on our Community Preservation Committee. I hope you can attend the media announcement of the CPC at 4:30pm on Thursday, April 27, 2017 at the City Council Office at City Hall and then stay for a brief organizational meeting.

The CPC will administer the Community Preservation Act in Springfield. After a May training session, your first task will be to meet with boards and commissions, department heads, and residents to evaluate the needs in the three CPA eligible areas: open/recreational space, historic resources, and housing. The CPA surcharge goes on tax bills starting July 1. Once funds accumulate, your task will be to vet proposals to insure compliance with State regulations and to recommend projects to City Council for funding.

Thank you for your willingness to serve on this important committee which oversees an exciting new program for our city.
