AERO ELITE

*TJ Thanks for the Res on 4/23/19
Please this is what she own
I would like for
an seniors. Thanks & God Bless
Respectfully
Dennis J. Gano*

A Transportation Powerhouse 25' to 32' MEDIUM DUTY CUTAWAY BUS

BUILT FOR THE LONG HAUL

Eldorado National builds quality and durability into every Aero Elite. Our undercoating industry provides superior undercarriage corrosion protection. And the Aero Elite can be tailored to your specific needs such as comfort, convenient storage and easy maintenance.

WORRY FREE MAINTENANCE

From the floor to the door we have you covered. Unlike other buses, our entry door frames, wheelchair lift door frames and step wells are made with powder coated stainless steel to ensure these critical, exposed areas will last.

A MULTI-TASKER

The Aero Elite has all the ride, performance, and aesthetic value to meet the retail industries' needs yet has all the toughness and durability criteria to surpass the heavy usage requirements of the transit industry. Meeting all applicable ADA requirements, Aero Elite is available with a front or rear lift allowing flexibility in meeting passenger needs. And we are "green". Our headliners are spun with recyclable materials that make it a quiet ride and are easy to clean.

DESIGNED AND BUILT IN THE USA! 

*26 Passenger
32' length
