Vital Informational Session for Veterans and Their Families on Benefits and Services for Veterans

Springfield Department of Veterans' Services in partnership with National Association for Black Veterans, Bilingual Veterans' Outreach Centers of Massachusetts and Winchester Square Vietnam Veterans Organizations, Veterans Administration are hosting an Informational Session that will provide info and assistance to veterans and families in obtaining available benefits.

At the event, representatives from various local veterans' community agencies will be available to answer questions about support services and benefits for veterans and family members as well as the many community resources for veterans. It is our goal to help veterans and their families better understand these benefit issues.
