

**Mayor Domenic J. Sarno's
City of Springfield
COVID-19 Situational Update**

Tuesday, June 23, 2020

Mayor Domenic J. Sarno, in the best interests of our residents and business community, continues his daily morning meetings with his cabinet heads as they work 24/7 to facilitate and coordinate with all of our local, state, federal, and public and private partners in response to the COVID-19 situation.

Below are the most recent updates as reported from each City Departments.

Mayor's Office

- Continues to coordinate the city's efforts with all stakeholders (state, federal, hospital and medical facilities, public and private partners, etc.) in response of services and relief and recovery measures
- Continuing to monitor the COVID-19 situation closely so that as the city begins with phased reopening aspects, the city does not ease prudent measures too early, which could potentially expose our residents to a second wave of the virus
- Continues to stress the need for additional target testing in order to build strong public, business, consumer, and hospital confidences to identify, isolate, contact trace, mitigate and heal potential hot spot areas
- City Hall and all municipal buildings have reopened, by appointment only and with additional restrictions, as part of the city's Phased reopening plans
 - Temperature checks and face coverings needed to enter city buildings
 - Continuing to encourage residents and businesses to conduct city related business by phone or through the city's website
- Continues to coordinate with cabinet and department heads on reopening aspects of all municipal buildings
- City Hall utilizing thermal infrared thermometers to proactively protect and preserve our workforce
- Need for additional thermal infrared thermometers to assist with reopening aspects
- Mayor Sarno and Police Commissioner Cheryl Clapprood held a press briefing imploring the court systems what does it take to keep violent repeat criminal offenders with gun charges off our streets. Mayor Sarno, again, is asking for our state delegation to take up and pass his Bail legislation and the Governor's Dangerousness legislation
- Heartfelt thank you to our Springfield Community for stepping up with PPE donations, allowing the city to outfit our dedicated police, fire and frontline workers with the appropriate safety equipment.

Health

- Announced 5 new cases of Springfield residents testing positive for COVID-19 (Coronavirus)
- Total positive cases now at 2,588
 - City starting to see a leveling of cases, however we must remain vigilant
 - State has begun reporting probable new cases in addition to confirmed cases
 - 117 deaths of Springfield residents related to COVID-19
 - State has reclassified the ‘causes of death’ for prior deaths which may not have been attributed to COVID-19 related conditions and underlying health symptoms
 - 54 deaths reported from long term care facilities
 - 63 residential deaths
 - Ethnic breakdown of deaths:
 - 55 White – 47%
 - 26 Black – 22.22%
 - 34 Hispanic – 29.06%
 - 2 Asian – 1.7%
 - Average age of positives cases – 52 years old
 - Average age of hospitalizations – 68 years old
 - Average age of deaths – 82
 - 98.5% of deaths had underlining health conditions
- Continues to monitor potential COVID-19 cluster locations across the city, especially at our long-term care facilities.
 - National Guard Med Tech through state Department of Public Health and City Health Department continue to provide assistance with our long-term care facilities with testing aspects
- Continues to monitor stores and locations, and reviewing compliance with the Governor’s public health order for face coverings and reopening aspects. Commissioner Caulton-Harris continues to personally visited a number of stores and locations
- Commissioner Caulton-Harris through the City of Springfield Board of Health issued Regulation on Face Coverings
 - Mandating face coverings for all persons (with exceptions) to wear a face covering while out in public and where social distancing is not possible
 - Requirements for businesses to adhere to the regulation
 - Law enforcement and public health officials will enforce regulation
 - City will focus on educational component for the first week to educate and remind residents and businesses of the Governors Order and city regulation
 - Issuing of civil fines will be last resort for those who continue to refuse to comply
- Mayor Sarno and HHS Commissioner Caulton-Harris continue to push and work with the state, local hospitals and healthcare facilities with community health outreach aspects to do much more symptomatic and asymptomatic testing, not only for homeless population, but for all targets
- Continuing with contact tracing
 - Over 1,100 contact tracing has been done so far
- Reviewing plans to expand city contact tracing abilities through Governor Baker’s continued initiative efforts

- Announced the continued need and importance of adhering to all public health, personal hygiene and social distancing procedures. Still very important, even though hospitalization numbers are stable, public health is population based and community spread of the virus is still prevalent
- Homeless Triage facilities and operations up and running – results showing tactical strategy is working
 - Total population tested - 190 individuals
 - 10 positives / 5.2%
 - Partnership with Baystate Health for testing at city’s Homeless Triage Facility
