

THE CITY OF SPRINGFIELD, MASSACHUSETTS

MAYOR DOMENIC J. SARNO

HOME OF THE BASKETBALL HALL OF FAME

August 13, 2021

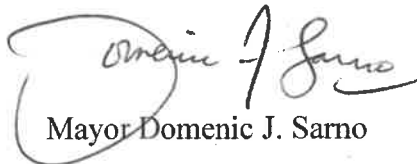

Dear Neighborhood Council Members,

First of all, good health to you and your families. As my administration did with tornado recovery and rebirth, we will do again with COVID-19 recovery and rebirth. I have already started meeting through listening sessions with community and business groups pertaining to their ideas, needs, and wants with the federal ARPA funds. My administration will continue these listening sessions as we are now creating RFPs for these seven categories: job creation/economic development, capital projects, assistance for businesses, non-profits, seniors, our neighborhoods, and housing.

In turn, I would like to continue to meet with your neighborhood council on your thoughts, ideas, needs, and wants. Please, we can do in-person and/or via Zoom, whatever you feel most comfortable with. Please contact my Chief of staff Tom Ashe at 413-787-6100 or tashe@springfieldcityhall.com to set up a listening session.

Thank you for your continued, belief, support, and investment in our Springfield. Continued success and stay well. God Bless.

Respectfully,

Mayor Domenic J. Sarno
