Mayor Sarno Joins Mayors Around the Country to Stand Up Against Antisemitism

Springfield, MA – Mayor Domenic J. Sarno joined with over 250 mayors from around the country in signing onto a Statement in Support of Mayors United Against Antisemitism to unequivocally declare that antisemitism is unacceptable and has no place in our city, country, or anywhere.

Mayor Sarno states, “We stand in solidarity with our Jewish brothers and sisters and recognize that acts of antisemitism harm us all and they cannot and will not be tolerated. I know many understand the ever-present need to speak out against hate and will join me today in explicitly condemning antisemitism in all its forms. In addition, we will continue to promote values of acceptance, coexistence, and community as well as educate and learn from each other.”
