

# Welcome to the Neighborhood!

Recycling services at your mobile home location are the same as every residential location throughout the City!

Every Tuesday, the City of Springfield goes above and beyond in its commitment to sustainability by providing recycling pick-up services to your mobile home park. Residents in these communities can place their recyclables by the curb, knowing that the City will ensure their responsible processing. This convenient service not only promotes environmental consciousness but also fosters a sense of community engagement, making Springfield a shining example of a city dedicated to a cleaner, greener future for all its residents.

If you have any questions regarding your recycling pick up, please call (413) 736-3111, or visit our website at

<https://www.springfield-ma.gov/dpw/single-stream>

Additional recycling educational material is available online, or you can call to request information be mailed to you!
