

How to Properly Wear a Mask

- ✓ Always wash your hands before and after wearing a mask.
- ✓ Use the ties or loops to put your mask on and pull it off.
- ✓ Don't touch the front of the mask, especially when you take it off.
- ✓ Put on and remove your mask while inside your home. Public transportation, elevators and stairwells can be high-contamination areas.
- ✓ Wash and dry your cloth mask daily and keep it in a clean, dry place.
- ✓ Remember that masks offer only limited protection and work best in combination with hand washing and social/physical distancing.

DON'T:
Wear the mask below your nose.

DON'T:
Leave your chin exposed.

DON'T:
Wear your mask loosely with gaps on the sides.

DON'T:
Wear your mask so it covers just the tip of your nose.

DON'T:
Push your mask under your chin to rest on your neck.
