ARTICLE 2 RECOGNITION:

2.01 The Employer in accordance with the provision of Chapter 150E of the General Laws of Massachusetts, recognizes the Union as the sole and exclusive bargaining agent for the purpose of establishing salaries, wages, hours and other conditions of employment for all blue collar employees of the City of Springfield certified as the bargaining unit in accordance with the election conducted by the State Labor Relations Commission, MCR 4602, date issued May 28, 1998, as follows:

All full-time and regular part-time blue collar non-professional employees in all City of Springfield departments excluding licensed practical nurses, all employees of the civic center and symphony hall, all building department inspectors, civil engineers, bath attendants and all casual employees, all clerical and white collar administrative employees, all supervisors, foremen, timekeepers, and managerial, confidential and all other employees.

2.02 The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining, or make any agreement with such a group or

individual for the purpose of undermining the Union or changing any conditions contained in this agreement.

2.03 This collective bargaining agreement shall be subject to and incorporate the provisions of Section 6 of Chapter 656 of the Acts of 1989, so long as said Section 6 shall require that all collective bargaining agreements entered into and by the City or School Department be subject to and incorporate the provisions of said Section 6. Should the state Legislature repeal or modify Chapter 656 of Acts of 1989 during the term of this agreement, this section will be repealed or modified in accordance with such Act.

ARTICLE 3 MANAGEMENT RIGHTS:

3.01 The Employer shall not be deemed to be limited in any way by this Agreement in the performance of the regular and customary functions of management of the City of Springfield and reserves and retains all rights, powers, authority and prerogatives including, without limitation, the exclusive right of the Employer to issue reasonable rules and regulations governing the conduct of its Departments and its employees, provided such rules and regulations are not in violation of the express provisions of this Agreement.

3.02 Except as specifically abridged, delegated, granted or modified by this Agreement or any supplement thereto of Chapter 150E of the General Laws of Massachusetts, all of the aforesaid rights, powers, authority and prerogatives, except where in violation of the express terms of this Agreement, shall not be subject to the Grievance Procedure and/or Arbitration under this Agreement.

3.03 The parties agree to embrace a management approach "flexibility of assignment" (on a daily basis), which permits a single crew to repair, upgrade or create a solution to a problem at a given site that involves duties and responsibilities that may include work done in water, sewer, roads/bridges, signal etc. This flexibility will lesson or eliminate the need for more than

one crew at a given job site. This in effect is the integration of work assignments within the department.

3.04 Yard Waste:

a. The employer may utilize temporary laborers to assist the employer and its existing work force in the collection of yard waste during peak collections periods in the Spring and Fall. It is expressly understood that the employer will only invoke this provisions during peak collection periods and for the purpose of avoiding substantial overtime cost which have characterized yard waste collection efforts during the Spring and Fall in the past.

b. The employer may utilize part time on-call drivers to assist the employer and its existing work force in the collection of yard waste during peak collection periods in the Spring and Fall. c. The Employer may adjust existing collections routes for the purpose of increasing efficiencies of operation including the avoidance of overtime costs. It is expressly understood that, as is currently the case, an employee may not be required to assist other personnel in the completion of their routes. Furthermore, an employee will not be paid any additional money for assisting other crews during the work day unless such assistance causes that employee to exceed his normal work hours.

3.05 In the event that an employee fails to complete his given route more than three (3) times in a month and additional personnel are assigned to assist with the completion of the route, said employee shall be moved to the bottom of the overtime eligibility list for the entirety of the following month. If an employee does not finish his route due to a motor vehicle accident, workers compensation injury to the employee, or mechanical breakdown, this will not count as a failure to complete his route. In the event of multiple employees being moved to

the bottom of the overtime list in a given month, the least senior employee shall be at the bottom of the list and then the next least senior shall be just above him, etc.

ARTICLE 4 UNION REPRESENTATIVES:

ARTICLE 5 UNION DUES:

Such remittance shall be made the third week of each succeeding month.

Such fee shall be paid weekly commensurate with the periodic dues charged by the Union to its members.

The Union will indemnify, defend and hold the City harmless against any and all claims made, and against any suit instituted against the City on account of any check-off of Union dues or agency fee provision.

The Union agrees to refund to the City any amount paid to it in error on account of the check-off and agency fee provision upon presentation of proper evidence thereof.

The Union certifies that this Collective bargaining agreement is formally executed pursuant to a vote of a majority of all employees in the bargaining unit present and voting.

Nothing contained within in this Article shall preclude the parties from meeting and settling said grievance.

9.03 The Arbitrator shall be selected by mutual agreement of the parties hereto. If the parties fail to agree on a selection in the first instance, the American Arbitration Association shall be requested to provide a panel of arbitrators from which a selection shall be made in accordance with the applicable rules of said American Arbitration Association. Expenses for the arbitrator's services shall be shared equally by the parties.

Martin Luther King's Birthday Day

Columbus Day

Washington's Birthday

Veteran's Day

Patriot's Day

Thanksgiving Day

Memorial Day

Christmas Day

Independence Day

21.02 Holidays occurring on Sunday will be celebrated on Monday; holidays occurring on Saturday will be celebrated on Friday. For the purpose of this division, the “celebrated day” (i.e. Friday or Monday) becomes the holiday rather than the actual holiday.

When a holiday falls on a Saturday or Sunday, the employee shall be compensated for the actual Holiday, or the celebrated Holiday, at time and one-half (1 ½) for all hours worked, but not both days.

21.03 Any employee required to work on a holiday will be paid at the rate of time and one-half (1 ½) for the hours worked plus a day’s pay for the holiday. No compensating time off for work performed on a holiday shall be authorized.

21.04 Any employee who works five (5) or more days a week and whose regular day off falls on any of the aforementioned holidays shall be paid for the holiday.

21.05 When a holiday occurs during an employee’s regular scheduled vacation, he shall be granted an additional day’s vacation, as determined by the employee’s Department Head.

21.06 In order to receive pay for any of the holidays enumerated above, an employee must actually work on his last scheduled working day immediately preceding and his first scheduled working day immediately following the holiday in question unless prevented from doing so for valid reasons, substantial evidence of which must be submitted to the Department Head.

21.07 In the event the Employer declares a holiday other than those listed in 21.01, an employee not required to work shall receive a regular day’s pay. Employees required to work that day shall be granted a corresponding amount of time off with pay to be taken within 45 days with prior notification and approval of the Department Head.

This provision is not applicable to a person who is on vacation, absent due to sick leave or any other forms of leave. The compensatory time is provided for only those who actually work the declared day.

ARTICLE 22 VACATION POLICY

Unit members who have completed twenty (20) years or more in the aggregate shall be granted an annual vacation of five (5) weeks without loss of pay. Such vacation will be granted by the Employer at such time as in the Employer's opinion will cause the least interference with the performance of the regular work of the City.

A person shall be deemed to be regularly employed within the meaning of this section if he/she has actually worked for the City for thirty (30) weeks during the twelve (12) months preceding the first of June in such year.

22.02 An employee who has been employed by the City of Springfield for six (6) months or more, but who does not qualify for a full vacation under Article 22, Section 22.01 on June 1st, shall be granted paid vacation leave as follows for each aggregate week he/she has actually worked for the City during the twelve (12) months preceding the first of June in such year:

In all of the above instances, partial days shall be disregarded. In no case may the partial vacation so earned exceed the vacation the employee would have been entitled to had he/she actually worked the full thirty (30) weeks. Partial vacations are not to be considered earned or granted until the first of June of a given year.

22.03 Whenever the employment of any person subject to 22.01 is terminated during a year by dismissal or by resignation, retirement or death, without his/her having been granted the vacation to which he/she is entitled under Section 22.01, he/she or in the case of his/her death, his/her beneficiary, shall be paid at the regular rate of compensation payable to him/her at the termination of his/her employment, an amount in lieu of vacation, provided that no monetary or other allowance has already been made therefore.

The word beneficiary, as used in this section, means the surviving beneficiaries, if any, lawfully designated by the employee under the retirement system of which he/she is a member, or if there is not such designated beneficiary, the estate of the deceased.

22.04 Immediately prior to departure on vacation leave, an employee will be permitted to advanced vacation pay allowance up to his/her maximum vacation leave entitlement under this Article, provided that when the employee is departing on a leave period which is less than his/her full vacation leave entitlement, the advancement shall not exceed the vacation pay allowance for such vacation leave period.

22.05 If so requested by an employee, vacation pay may be substituted for otherwise unpaid time due to sickness, provided that the employee is eligible for vacation time and provided further that the number of paid weeks in the working year is not exceeded.

22.06 Vacations will, insofar as possible, be granted at the time most desired by the employee, but the final right to allotment of vacation period is reserved to the Employer in order to insure normal operations.

- Yard waste Collection
- Recycling Collection
- Bulk Collection
- Complaint Truck

The above are regularly COVERED positions on the "Daily Cash Bonus" plan. It is understood that the number of employees can fluctuate up and down due to seasonal staffing, program reductions, and program increases.

The hours of work shall be ten (10) hours in a day and forty (40) hours in a week on a Tuesday through Friday schedule. The scheduled daily hours shall be 7:00 a.m. to 5:30 p.m. with the following exception; the personnel assigned to the Semi-Automated crew. Each driver shall also remain twenty (20) minutes after the end of the day's normal scheduled work so as to properly conclude all aspects of the daily report and vehicle program, on and in a form as directed by the City. For this consideration,

each driver shall be paid one-half (1/2) hour overtime each day at the rate of time and one-half (1 ½) the applicable base rate of the hourly wage, regardless of whether the twenty (20) minute period occurs before or after, or includes the 5:30 p.m. time event. Each driver shall normally make two (2) trips daily to the disposal area, but shall also make any additional trips as deemed necessary. All lunch periods and coffee breaks shall be taken in accordance with the rules and regulations attached hereto. See "Exhibit A – Work Rules and Regulations for the Solid Waste Division.

The minimum average daily output of each laborer in the Rubbish and Yard waste programs shall be sixty (60) pounds per minute. See "Exhibit B" – Excess Tonnage Incentive Plan.

In consideration for insuring that all refuse collection operations are completed on a daily basis, the city shall pay, in addition to the employees base wage, monies set forth in the "Daily Cash Bonus" plan, attached hereto. See "Exhibit C" Daily Cash Bonus Plan. The Automated Collection drivers are the only exception. See "Exhibit D" – Automated Refuse Collection Driver Agreement for their applicable "Daily Cash Bonus".

Work rules and regulations for the refuse collections of the City's Department of Public Works are set forth in "Exhibit A". All contractual benefits, privileges and accruals as enjoyed by all other City employees covered under the terms of the basis Agreement between UFCW Local 1459 and the City of Springfield shall continue to be applicable to the employees covered by the basic Agreement except where specifically modified herein. This addendum Agreement, when signed by the parties will become a negotiated package as provided in the existing basic collective bargaining Agreements.

The parties hereby agree that the terms and the subject matters contained in this addendum are not to be subject to the collective bargaining process until June 30, 2000 and shall continue

in full force and effect from year to year thereafter unless either party to this addendum Agreement desires to terminate or amend any of the terms or provisions of this addendum Agreement.

The party desiring to terminate or amend this Agreement must notify the other party in writing not less than one hundred and twenty (120) days prior to the expiration date, June 30, 2000. Should either party serve such notice upon the other party as provided herein of the desire to amend this addendum Agreement, the notice must be accompanied by a statement of the amendment desired. In such event the parties will confer at least sixty (60) days prior to the expiration of this addendum Agreement.

Fiscal Year 1999 Yearly Credit and Tonnage Payments:

The currently awarded yearly lump sum payments for the three (3) lowest credit deductions and the top tonnage payments will be terminated April 1, 1999. The year end (FY-99) lump sum bonus payments will be pro-rated at three quarters of their stated value and awarded to the eligible personnel as described in "Exhibit B" of the existing Agreement dated June 30, 1990. An allowance has been included in the new "Daily Cash Bonus" rate to compensate for value of the existing year-end bonuses.

New "Daily Cash Bonus" Plan Starting Date:

The new "Daily Cash Bonus" plan will start the first full week in April 1999. This will be the week ending April 10, 1999. For purposes of counting sick leave and personal days in the 1999 calendar year the starting date will be January 4, 1999.

"Daily Cash Bonus" Adjustments

The value of the "Daily Cash Bonus" shall be adjusted by a percentage equal to the percentage change in the drivers standard base rate of pay in the basic Agreement, commencing with any changed negotiated effective as of July 1, 2000 (the July 1, 1999 rate is to serve as the initial base.) Any change in the base rate of pay for the drivers will automatically

result in equivalent percent change in the daily amount of each regular COVERED employee's "Daily Cash Bonus" payment.

15. NO vacations shall normally be scheduled during the "Peak Months" of April, May, October and November. No partial week vacations shall normally be granted during calendar weeks which include "Double Collection Days".

 - b. If that list is exhausted and more people are needed to complete collection crews, replacement workers or fill in workers will be assigned a 10 hour day as necessary and these employees shall be required to complete the assigned work as defined by the supplemental rubbish contract. Replacement workers or fill-in workers who normally work a five (5) day, forty (40) hour week in other operations for the City's Department of Public Works shall receive time and one-half for all hours actually worked in excess of eight (8) hours each day.
17. City shall determine the make-up of the crews and the route assignments.

The employees shall be charged and paid for ten (10)

EXHIBIT B

EXCESS TONNAGE INCENTIVE PLAN

PLAN:

Reward the more productive or efficient crew by offering an opportunity to collect additional available refuse at overtime rates within the normal ten (10) hour day.

OPERATION OF THE PLAN:

The ten (10) hour day allows time to fully load two (2) trucks of refuse (fifty-four thousand pounds {54,000} total) at the minimum rate of one hundred twenty (120) pounds per minute per crew. A more productive crew will, therefore, fully load the vehicle faster and will, thus, finish earlier. A crew which collects more than the fifty-four thousand (54,000) pounds within the ten (10) hour day will receive, in addition to its normal ten (10) hours pay, an extra payment for the amount of the actual excess tonnage (that is in excess of 54,000 pounds) collected.

The "Excess Tonnage Incentive" plan payment for each crew will be calculated from the following formula:

"EXCESS TONNAGE INCENTIVE PER CREW"

$$\left[\frac{(Total\ Daily\ Pound\ Collected) - (54,000\ Pounds)}{\left(120 \frac{Pounds}{Minute}\right) \left(60 \frac{Minutes}{Hour}\right)} \right] \times \left[\begin{array}{c} Total\ Hourly \\ Rate\ Of \\ Crew \end{array} \right] \times \left[1.5 \right]$$

EXAMPLE:

Using FY 2008 top step labor rates and assuming all three crew members are permanently assigned to the truck and the crew has picked up 63,000 pounds for the day;

$$\left[\frac{(63,000 \text{ Pounds}) - (54,000 \text{ Pounds})}{(120 \text{ Pounds/Minute}) \times (60 \text{ Minutes/Hour})} \right] \times \$47.56 \times 1.5 = \$89.18$$

\$89.18 per crew or \$29.73 per crew member

RESULTING DAILY DRIVER PAY:

Normal Wage:	(10 Hours X \$17.50/Hour)	=	\$175.00
Vehicle Check:	(0.5 Hour X \$17.50/Hour X 1.5)	=	13.13
Tonnage Incentive:	(\$29.73 per crew member)	=	<u>29.73</u>
	Total for the day		\$217.86

RESULTING DAILY LABORER PAY:

Normal Wage:	(10 Hours X \$15.03/Hour)	=	\$150.30
Tonnage Incentive:	(\$29.73 per crew member)	=	<u>29.73</u>
	Total for the day		\$180.03

The "Excess Tonnage Incentive" plan is based solely on pounds collected, calculated at the minimum work rate, and paid at an overtime rate of the crew. Thus, the higher the actual work rate on the excess volume, the greater the "excess Tonnage Incentive" payment. The "Excess Tonnage Incentive" payment will be included in the employees weekly paycheck.

The City has the right to assign additional trucks and crews as it deems necessary to aid or supplement the regular crews. Providing such assignments are not motivated to prevent the payment of the "excess Tonnage Incentive" bonuses.

Any crews which aid or supplement a crew on other than its own route, at the reassignment direction of the City, shall be eligible for the "Excess Tonnage Incentive"

payment. Provided that the total daily tonnage for the supplementing crew exceeds fifty-four thousand (54,000) pounds prior to the reassignment.

If the supplementing crew is reassigned by the City to aid or supplement a crew on other than its own route, prior to the collection of fifty-four thousand (54,000) pounds, or prior to the second trip to the disposal site, each crew member shall be compensated at a flat one and one half (1 ½) times its applicable basic rate of hourly wage for the remainder of the work day, as determined by the City. Such compensation to be in addition to the normal ten (10) hours pay. The aided crew shall lose its "Daily Cash Bonus" money.

EXHIBIT C

OPERATION OF THE PLAN:

The "Daily Cash Bonus" is valued at a base amount of Fourteen Dollars and Seventy Cents (\$14.70) per day per COVERED position in the Solid Waste Division effective July 1, 2008. A system of variable "Daily Cash Bonus" deductions is contained herein.

- Double collection days:

3. Any sick leave or personal day used on a double collection day will be at a loss of \$58.80 per pay. Each following full calendar year the threshold will be adjusted to the previous year's average sick leave usage rate as calculated by the Department of Public Works.

DEDUCTION SCHEDULE

B. SICK LEAVE/PERSONAL DAY

To avoid losing the "Daily Cash Bonus" (see page C-2 for rates) for the use of a sick leave or personal days, each COVERED worker is required to work the entire ten (10) hour day unless the route/assignment is completed and the COVERED worker is released by the City prior to the expiration of the ten (10) hours. 2. When a Rubbish or Yard waste crew fails to collect fifty-four thousand (54,000) pounds and its route is not finished in a normal ten (10) hour day, each crew member shall lose their "Daily Cash Bonus" money of Fourteen Dollars and Seventy Cents (\$14.70).
3. When an Automated Collection Driver fails to collect the assigned 850 stops per day in the normal ten (10) hour day or a Semi-Automated Collection Driver fails to collect the assigned 650 stops per day in the normal ten (10) hour day, the driver shall lose their "Daily Cash Bonus" money.

PERSONNEL POLICY & PROCEDURE

SUBJECT: *PROGRESSIVE DISCIPLINE*
Fleet Safety

1.10
Appendix A

SCOPE:

This policy applies to all employees of the Springfield Department of Public Works.

POLICY:

The following examples of rules and corrective actions for DPW fleet/vehicle operations have been established in order to apply a practice of progressive discipline when needed to correct employee misconduct and improve job performance.

Nothing in these rules shall reduce the employee's right to challenge a disciplinary action through the regular union grievance procedures.

The rules contained herein are examples of key offenses and are not all-inclusive.

PURPOSE:

To define common fleet/vehicle misconduct actions, which may serve as a general guideline, including similar misconduct, which may be subject to disciplinary action.

PROCEDURE:

1. Each Supervisor and/or Manager is responsible for communicating DPW fleet/vehicle rules to subordinates and for enforcing disciplinary rules according to the guidelines of this policy.

2. Disciplinary warnings are generally administered on a progressive basis and may include verbal warnings, written reprimands, suspensions, or discharge (pending full investigation). Progressive disciplinary actions are cumulative (see notes 3 & 4).

Note #1: The term "serious accident" includes, but is not limited to, the following:

(1) Any occupational accident which is fatal to one or more persons (employees and/or non-employees).

(2) Any occupational accident which results in the hospitalization of one or more persons.

(3) Occupational accidents not immediately reportable but which result in the death of a person within 6 months of the date of the accident.

(4) Any occupational accident that results in injury to an employee or non-employee involving mutilation, amputation (including major cartilaginous body parts such as ear, nose, etc.), or loss of vision in one or both eyes.

(5) Any occupational accident involving property damage (combined City and non-City) estimated to exceed \$10,000.

(6) Any occupational accident which results in hospitalization due to chemical exposure.

(7) Any DPW related accident involving non-DPW persons, which results in a fatality or hospitalization of one or more persons.

NOTE #2: The term "preventable vehicle accident" is defined as:

Any accident involving an organizational vehicle which results in property damage and/or personal injury, regardless of who was injured, what property was damaged, to what extent, or where it occurred, in which the driver in question failed to exercise every *reasonable* precaution to prevent the accident.

NOTE #3: A "major offense" is defined as an offense for which the penalty is suspension. Penalty for three major offenses in a one-year period is Subject to Discharge. Major offense documentation shall remain in an employee's record.

NOTE #4: A "minor offense" is defined as an offense for which the penalty is a verbal or written reprimand. Penalty for three minor offenses in a one year period is Subject to Suspension (1, 3 or 5 days) and shall be considered a "major offense". Minor offense documentation shall remain in an employee's record for one year from the date of offense after which it shall be removed. The DPW Short In Pay Program is not part of the above as there are separate guidelines and corrective discipline procedures for it.

(PROCEDURE, cont.)

3. All disciplinary action (including verbal warnings) are to be documented on an Employee Warning Record form. The warning notice and corrective action are to be discussed with the employee, signed by the employee and the manager/supervisor administering discipline, and then routed to the Administrative Office for inclusion in the employee's personnel file. A copy of the warning form may be retained in the division's personnel file, and the employee may receive a copy.
