GIC RETIREE/SURVIVOR ENROLLMENT AND CHANGE FORM (FORM-RS) INSTRUCTIONS

Use this Form-RS to make GIC health plan changes for a qualifying status change, at Annual Enrollment, and for enrolling in GIC health insurance for the first time at retirement.

For an overview of your GIC health insurance benefit options, see the GIC Benefit Decision Guide mass.gov/gic/bdgs.

Deadlines and Required Documentation

- Required documentation: To add a spouse or dependent to coverage, documentation is required. Visit our website for the Required Documentation list: mass.gov/gic/forms.
- If you and/or your spouse is **Medicare eligible** and **not already enrolled in GIC Medicare** coverage, the following documentation must accompany this form:
 - Photocopy of your Medicare Card (include a copy of spouse's card if applicable).
 - Photocopy of your latest 1099 or the Benefit Verification letter printed from Social Security's website stating how your monthly Part B premium is paid (e.g., you are being directly billed by Social Security or it is being deducted from your Social Security check). Include this same documentation for your spouse, if applicable.
- If you and/or your spouse are over age 65 and **not eligible for Medicare** and have not already provided the following documentation to the GIC, it must accompany this form:
 - · Social Security Denial letter stating that you and/or your spouse are not eligible for Medicare Part A for free.
- Annual Enrollment: Completed paperwork and required documentation must be received by the GIC (retirees and survivors) by the end of the Annual Enrollment period.
- Qualifying Status Change: Retirees and survivors with a qualifying status change must submit completed forms with proof of the qualifying status change (e.g., marriage or divorce) to the GIC within 60 days of the qualifying event.

Enrolling in health insurance for the first time: Use this form in addition to Form-1A to enroll at retirement in GIC health insurance for the first time. You must send with this form a copy of the letter from your retirement board approving your retirement. State retirees only be aware that your health insurance election includes basic life insurance.

Retiree and Spouse Coverage if Under and Over Age 65

If you (the retiree), your spouse or other covered dependent is younger than age 65, the person or people under age 65 will continue to be covered under a Non-Medicare plan until you and/or he/she becomes eligible for Medicare. Be sure to choose "individual" Non-Medicare coverage if only covering one Non-Medicare family member; select "family" Non-Medicare coverage if covering two or more Non-Medicare family members.

If this is the case, you must enroll in one of the pairs of plans listed below:

| Fallon Health Direct Care | Fallon Senior Plan |
| Fallon Health Select Care (Closed to New Members) | Fallon Senior Plan |
