## CAMP OVERVIEW

## CAMP COHORTS

Camper & staff members will be organized into cohorts that will remain together all day, every day. Groups will not exceed 10 campers and 2 counselors per cohort.

If closer interaction is needed this would be extremely brief (i.e., assisting tying a shoe). All activity staff will wear masks at all times while indoors, except when eating, drinking or swimming.

Any staff members that come in contact with multiple cohorts will provide instruction from six feet away to the greatest extent possible.

# STAFFING and OPERATIONS

Designated COVID-19 Supervisor/Contact Person responsible for responding to COVID-19 concerns.

Staff will be trained on COVID-19 protocols and procedures.

Staff will provide campers with an orientation at the start of camp to review new COVID-19 protocols, encourage, and educate on reporting of symptoms, and not coming to camp if sick, and how to request a replacement mask if needed.

# HYGEINE and HANDWASHING

Proper hand hygiene practices and disinfecting frequency for both staff and campers including handwashing and/or hand sanitizer (arrival at camp, after coughing and sneezing, before and after meals, after bathroom use, etc.)

Personal supplies from staff and campers (i.e., hats, brushes, towels and bags) and drinking containers (i.e., water bottles) must never be shared with others

Signage throughout the camp on signs and symptoms of COVID-19 and the importance of social distancing, mask use, and proper hand hygiene.

### **FACE MASKS**

Masks/face coverings are required and should be provided by the camper/parent.

All students will be required to wear a face mask inside during camp, unless they have a medical exemption or are taking a mask break.

Masks will NOT be worn outside. Students will also be asked to practice Mask Breaks, which includes taking face masks off and putting them back on.
