COMING TOGETHER
IS A BEGINNING.
KEEPING TOGETHER
IS PROGRESS.
WORKING TOGETHER
IS SUCCESS. *Henry Ford*

The South End Business Association is a group of business owners working together to rebuild and promote our district as a dynamic place to shop, eat, live and do business.

Your membership in the association will help us capture and share many mutual benefits, including a stronger voice as we advocate for improvements and respond to developments relating to the future of the **South End**.

This historic neighborhood, where so many of us work and live, can only benefit from strong advocacy and representation. Please join today so we can be a united front as we work to restore the vibrancy of the **South End** and help our businesses thrive and prosper.

Cost of membership is \$25. Please make your check payable to the **SEBA c/o HAPHousing SEBA Project** and return it with this completed form to:
