ARTICLE 2 DEFINITIONS

SECTION 2.0 PURPOSE OF DEFINITIONS

The purpose of this article is to clarify and define terms and USE categories found throughout this ordinance. The Ordinance has been written in “plain English” style and the meaning is intended to be clear as read. However, because it is also a legal document and because of the need for terms with specific meanings, the Ordinance also provides guidance on how specific terms are used. Defined terms are highlighted throughout the Ordinance by the SMALL CAPS format.

SECTION 2.1 GENERAL

Section 2.1.10 Scope of Definitions

Unless otherwise expressly stated, words and phrases in this Ordinance shall have the meanings indicated herein.

Section 2.1.20 Rules of Construction

Terms used or defined in this Ordinance shall be construed in accordance with the following rules:

- 2.1.21 The singular shall include the plural, and the plural shall include the singular.
- 2.1.22 The word “used”, shall include the words “arranged,” “designed,” or “intended to be used.” The words “used” or “occupied” shall be considered as though followed by the words “or intended, arranged, or designed to be used or occupied.”
- 2.1.23 The word “building” shall include the word “structure.”
- 2.1.24 The present tense shall include the future tense.
- 2.1.25 The word “shall” is mandatory and the term “may” is permissive or discretionary.
- 2.1.26 The word “or” includes “and” unless the contrary is evident from the text.
- 2.1.27 The words “includes”, “including” and “such as”, when followed by a list of examples, shall not limit a term to such examples, but are intended to mean “including but not limited to”.
- 2.1.28 The word “lot” includes “parcel.” The words “building,” “structure,” “lot,” or “parcel” shall be construed as being followed by the words “or any portion thereof.”

2.1.29 The word “person” includes a firm, association, organization, partnership, company, or corporation, as well as an individual.

Section 2.1.30 Building Code Definitions

Where terms are not defined in this Ordinance and are defined in the Massachusetts State Building Code (780 CMR), Chapter 2, such terms shall have the meanings ascribed to them in said Code unless a contrary intention is clearly evident in this Ordinance.

Section 2.1.40 Terms Not Defined

Where terms are not defined through the methods described herein, such terms shall have the ordinarily accepted meanings such as the context implies as defined by *Webster’s Third New International Dictionary, Unabridged*.
