**Re: Phase 1: Interim Utility Package Re-submittal,
Construction Management & Temporary Traffic Control Plans Re-submittal
MGM Grand - Springfield
Springfield, MA 01105**

Dear Mr. Williams

The Department of Public Works is in receipt of your re-submission of the Phase 1: Interim Utility Package dated 10/9/15 and associated Construction Management Plan and Traffic Control Plans, prepared by Howard Stein Hudson for the MGM Casino Project in Springfield. The following documents have been reviewed as part of this submittal:

- Plan set titled: Phase 1: Interim Utility Package for MGM - Springfield, Springfield, MA 01105, 25 sheets, prepared by Allen & Major Associates, Inc., stamped by Timothy J. Williams, dated October 9, 2015.
- Plan set titled: MGM Grand Springfield, Construction Management Plan & Temporary Traffic Control Plan, Utility Installation Plan, Springfield, MA 01105, 6 sheets, prepared by Howard Stein Hudson, Inc., stamped by Timothy J. Williams, dated October 9, 2015.

The Department of Public Works has reviewed your re-submission and agree with all responses to the comments and plan revisions submitted to the City. As part of our review however, we offer the following clarifications/comments and conditions of approval:

1. Construction Management Plan & Temporary Traffic Control Plan

- The detour signs at the intersection of State St. and East Columbus Ave. and West Columbus Ave. should have “south” added to them below the I-91 sign.

At this time the plan as submitted is **approved** for construction. If any changes to the approved plan are required, please notify the Department of Public Works accordingly.

Sincerely,

Matthew J. Sokop, P.E.
City Engineer
Department of Public Works
