Dear Samantha,

The City of Springfield is submitting notice of our intent to use the Elimination of Slum/Blight National Objective for a portion of the Healthy Homes Program funded with CDBG-NDR funding. This National Objective will be used for homes in the Six Corners neighborhood where the housing occupants have incomes between 80 and 120% of area median income. The enclosed Memorandum to the File will be inserted into each file that fits into this category. The City's Healthy Homes Program master file will be updated to include the attached memorandum describing the conditions which justify use of the Slum/Blight designation in the subject neighborhoods.

Please let me know if you have any questions or require additional information. Thank you for your assistance.

Sincerely,

Geraldine McCafferty
Director
