## Use of Force Data For Calendar Year 2023

Prepared by: Professional Standards Unit

Email: [SAIU@SpringfieldPolice.net](mailto:SAIU@SpringfieldPolice.net)

Last Updated: February 5<sup>th</sup>, 2025

## \*Updated

- Use of Force Data updated following audit and finalization of 2023 data.

# UOF – 2 (Use of Force Reporting)

- IV. Procedures

- A. General Reporting Requirements

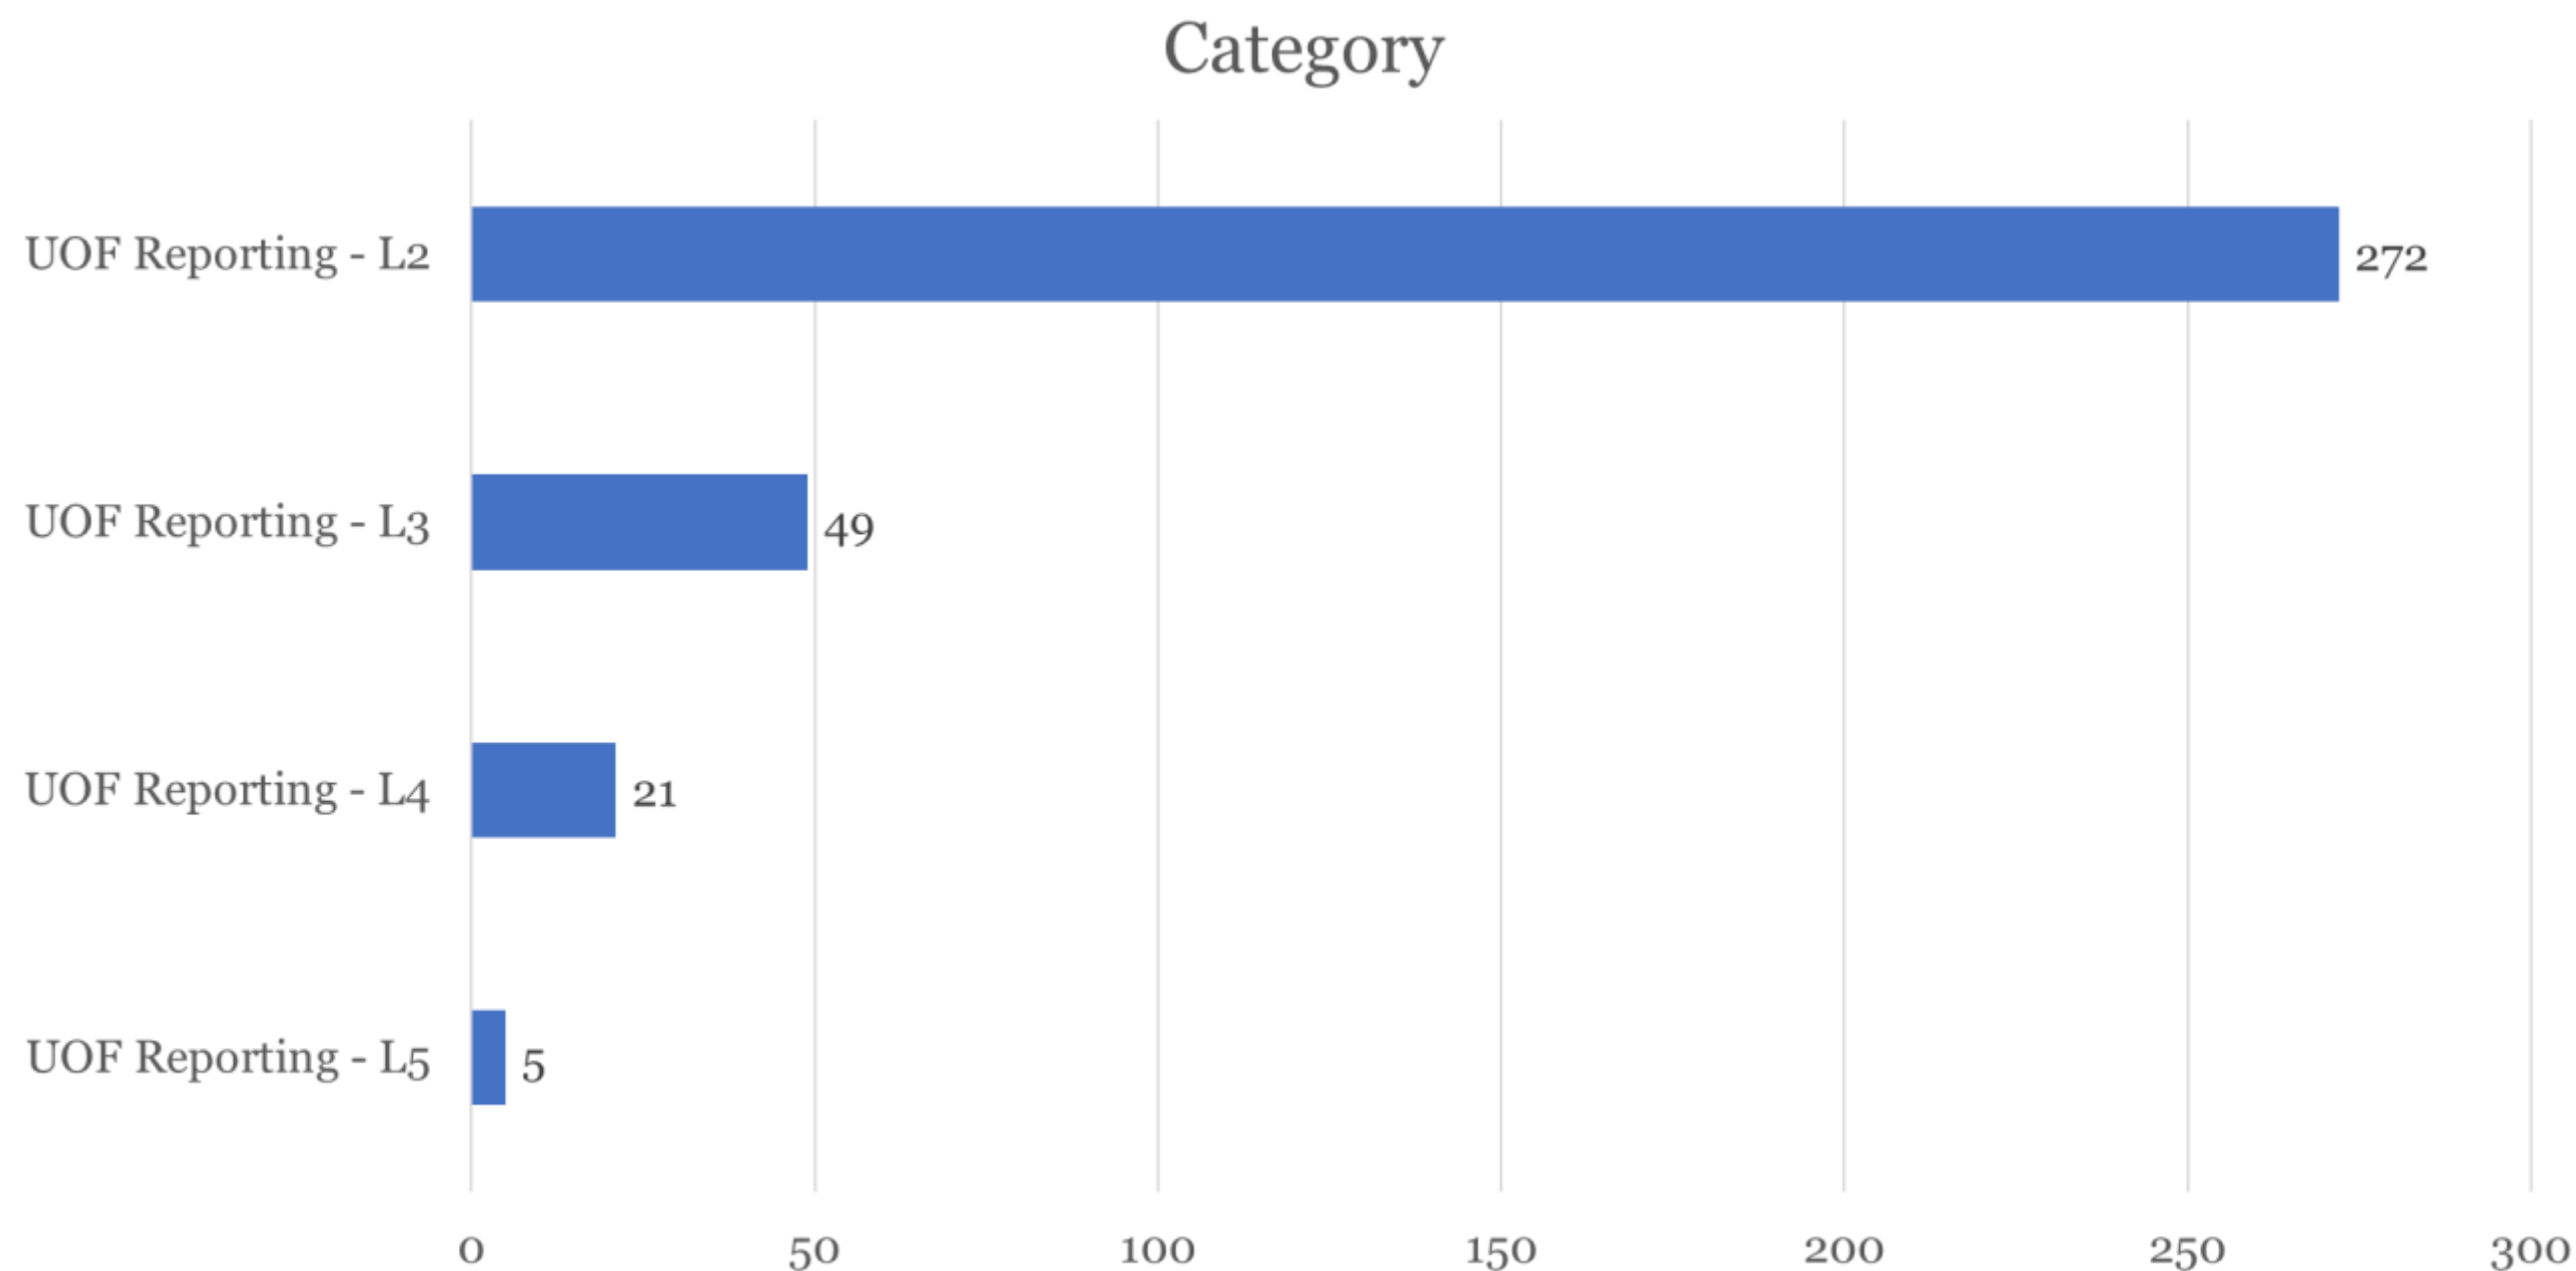

- (1) For all uses of force (i.e., any force above un-resisted handcuffing), the officer(s) using force, when safe to do so, are required to immediately orally report the use of force to an uninvolved supervisor.

- (2) In addition to immediately notifying the uninvolved supervisor, an officer using force will document the force in the BlueTeam system and by writing a use of force narrative before the end of their shift.

# 2023 Total Use of Force Events

## 347 Total

FOR LAW ENFORCEMENT USE ONLY

## \*Note:

- The above data represents the total number of calls for service (CFS) that resulted in a use of force event.
- In the calendar year 2023 our Records Management System recorded 245,855 calls for service.
